Pottery Party Package #2

For larger groups of 8 up to 24 guests = \$15 per person

If you would like a bigger piece of pottery then you pay an additional per person fee. Please allow at least two weeks for special orders and let us know how many guests you are expecting when you book your day so we can order enough supplies. You may also paint many of the choices we already have within this price range and have all your guests paint something different right off our shelves.
